

West Webster Hamlet Revitalization Plan

Breakout Groups

The purpose of this session is to generate and share your thoughts for the Hamlet. The goal is to get as many ideas down on paper and to explore concepts that will help to develop and solidify the community's vision.

Please spend approximately 5 minutes on each question.

Discovery Session

1. What word or short phrase best describes your **vision** for the Hamlet?
2. What are the **key issues** you believe must be addressed in order to achieve that vision?
3. What are one or two **opportunities** you feel we must capitalize on?
4. What are one or two **assets** for which you feel we must leverage?
5. What is the **one big thing** you believe must be addressed in this plan?

Now circle the two most important statements for each question to share during Show 'n Tell.
